

## **2017-2018 Regional Social Studies Timeline**

**Social Studies Coordinators,**

I am happy to announce there are going to be Regional Social Studies and Science Fairs for the 2017-2018 school year. With the change in the structure for RESAs we are very excited to still offer the regional level fairs. The State Social Studies Fair is April 27, 2018. We plan to have the Social Studies fair in March and the Science Fair in April. Both will be held at the Erma Byrd Higher Education Center in Raleigh County. At this point we do not have specific dates but will keep you updated as we know more.

Please plan on submitting county projects for Social Studies Fairs by February 16, and Science Fairs by March 9 to Barbie Little at [barkalittle@gmail.com](mailto:barkalittle@gmail.com). I am working with David Warvel who is currently the Director for the areas that were RESA 4 and RESA 1.

To access more details regarding this year's fair, please click on the following link:
